Messages

Blowers Dear Old Things-All: Blimey, I've got a nosebleed.
 Balerno Bassetts-Firebirds: That was too close for comfort,Patrick.....!!
 King's Head Irregulars-Blowers: Told you, you would come good in the end

WEBSITES The sidetracks.co.uk website has waiting lists, progress reports, rules updates, donwloads and information about using the email system. Our main "static" info & stuff is at pbmsports.co.uk, while the softsim.co.uk website has credit cards and online turnsheets. Anyone can see the first two, but for softsim you need to ask for a user name before you can get into it.

DEADLINES The coming week is an "averages" week (scores based on scores for the whole season so far, rather than the week gone) due to the stoppage for the Twenty20 competition. After that we miss a week, then we get a Saturday deadline, and then we miss another week. Then it's back to normal, and the test series begins.

EMAIL ORDERS Everyone is using the website for their orders, so the deadline means "any time on or before deadline day". The usual mid-day restriction doesn't apply, because Cricket Stats doesn't run on deadline day.

RULES CHANGES Wicket keepers are allowed in the all-rounder slot. Signing bonuses now DO apply when you sign one of your own players (you get back half the value of his new contract, just like you would if someone else signed him). Yes, the exclusion of games against the students is a rules change. Income is now 50 LPs for a win, 80 LPs for a loss and 70 LPs for a draw or pre-season game.
